## About Talia Davis

Talia Davis manages the blog **Fempreneur.com**, an outlet that highlights products and services for female entrepreneurs. She shares her public relations tips on the Fempreneur Podcast. As a mom and publicist, Talia knows how to keep herself organized and build a successful brand. She enjoys traveling with her family and attending events in Vancouver, B.C. As the Founder of Women in PR North America and Pink Pearl PR, she is a sought-after speaker and marketing to women expert. NASDAQ recognized her as a PR Influencer, and PR Week showcased how she is helping women succeed. Talia is a published researcher and manages the Women in PR magazine. She teaches media relations and crisis communications at Simon Fraser University.
